

# CONGRATULATIONS TO ALL OF OUR 2014 FIFTY-YEAR GOLD CARD MEMBERS

Local 506 members have recently been honoured with a Gold Card acknowledging their achievement of 50 years of continuous service with the Labourers' International Union. This is an eminent milestone for our Members.

We thank them for their years of hard work, in particular to honour tremendous individuals who have sacrificed and who have remained devoted through the years. This is a lifetime commitment!

We would like to thank all our Members of Local 506 for their accomplishments!
