

ALS ICE BUCKET CHALLENGE

As a Union, we believe giving back to our Communities is one of our top priorities and over the many years Local 506 has assisted and supported countless worthy causes.

At our Annual Nick Barbieri Charity Bocce Ball Tournament, our LiUNA International Vice President and Regional Manager Joe Mancinelli accepted the ALS challenge amongst other LiUNA Leaders, Representatives, Contractors, Labour Lawyers and Members.

Brother Mancinelli nominated 24 LiUNA Locals, 2 District Councils and 2 Affiliates to each donate \$10,000 toward ALS research; An end result of \$280,000.

Prior to the Labour Day march our Business Manager Carmen Principato, Secretary Treasurer Tony Do Vale and President Roly Bernardini accepted the ice bucket challenge after our LiUNA International Vice President and Regional Manager Joseph Mancinelli extended the challenge, raising public awareness for ALS. Over 1000 members applauded our Leaders and we have the full videos on our website.
